

Robert DeFrancesco's

Tech-Stock Prospector

Yes, Robert! I want to invest in stocks that combine the legendary profits of breakthrough technologies with the comforting safety of blue chips. Sign me up for a guaranteed trial subscription to *Tech-Stock Prospector* — the safety-first advisory with a winning percentage that applies a 14-layer safety net to every pick before I invest a dime.

On top of the new 12-page issue I'll receive every month — in print and online on your password-protected website — I'll also get:

- ✓ comprehensive analysis of the entire technology sector...
- ✓ the **most-promising opportunities** in software, hardware, telecom, wireless, medical, nanotech, semiconductors and biotech...
- ✓ **"Action Alert" e-mails** whenever you make a buy or sell recommendation, or at any other time it's necessary to act between issues to maximize my profits...
- ✓ your **daily Website updates** on the latest developments impacting my stocks, including a **"Watch List"** where you list potential additions to both your portfolios...
- ✓ short-term, **quick-profit** trading recommendations, and...
- ✓ a **free copy** of the \$79 **special report 7 Tech Takeover Plays for 2007.**

I understand that I can drop out at any time in the first 30 days for a 100% refund, and for a pro-rated refund after that.

Your New-Subscriber Welcome Gift!

Robert DeFrancesco's just-released \$79 special report, **7 Tech Takeover Plays for 2007.**

It's one of the biggest thrills in investing: you open up the morning paper and see a stock you own has been taken over, giving you an instant windfall profit of 30%, 50%, even 100%.

Tech-Stock Prospector subscribers have felt that thrill a lot lately. In the past 48 months, no less than seven of our portfolio holdings have been bought out—handing subscribers virtually overnight profits averaging **59%**.

7 Tech Takeover Plays for 2007 gives you Rob's latest research on the tech companies most likely to be acquired this year. His new report highlights seven of the most tempting buyout targets in the industry today. Buy into these stocks now and get ready for a thrilling ride!

Priced at \$79 for non-subscribers, it's yours **FREE!**
